EASY HANDLING

- Take your sprayer with you wherever you go

FREEDOM

- Expand your application capabilities by spraying wherever you want

THE CORDLESS GOAL-GETTER

EVERY CONTRACTORS IDEAL MATCH TO FINISH PAINTING JOBS IN RENOVATION AND NEW HOME CONSTRUCTION PROJECTS WITH THE POWER, PORTABILITY, FREEDOM AND SAFETY THEY'RE LOOKING FOR

Maybe you have not yet had the opportunity to experience the benefits of spraying Airless first hand? Then here is your chance to get into this while enjoying the ultimate freedom and safety.

“ A true Airless for professionals has never been this affordable and portable.”

If ever you had any reservations about switching from your brush and roller to Airless equipment, we have now made the decision easier! Because of its innovative design and revolutionary battery powered technology, Graco's GX™ 21 cordless lets you take your first step into Airless spray equipment, with a limited investment yet giving you the ultimate freedom.

Are you an Airless painter?

You already know you can finish more jobs quicker, with a better finish...What we CAN tell you is that with the Graco's GX™ 21 cordless you will now be able to transfer these benefits to even more jobs thanks to the expanded application capabilities! Why just stick to Airless painting for exterior jobs, or bigger commercial projects? Why not use Airless for interior renovation jobs as well? Start now with the GX™ 21 cordless Airless paint sprayers that is:

- still the professional equipment you're used to working with, but in a more compact, portable and safer version.
- designed to offer it's benefits at an all time low investment
- ideal to spray your second colour and increase your productivity on small job sites

GX 21 CORDLESS

Adjustable Pressure Control

Allows you to spray or roll a wide range of coatings.

PushPrime™

Assures fast priming every time — loosens stuck inlet check valves in case of priming issues.

Pressure Gauge

Professional oil-filled pressure gauge

JetRoller™

Extend your sprayer

Use your preferred roller and combine rolling & spraying into one operation. Extend your sprayer with the JetRoller and minimize application time when combining rolling and spraying into one operation.

Benefits:

- Uses commonly available 18 or 25 cm roller covers.
- Completes large jobs in half the time of traditional methods
- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot™ Shut-Off™ valve, Inline™ gun, spray tip and guard.

ProXChange™ Pump Replacement System

The Easy & Fast Pump Repair System

In four simple steps, you can remove and replace the pump cartridge:

- No tools needed to remove pump
- Simply lift door to remove pump

Slide & lift open access door

Remove pump section

Use frame hex fitting to loosen pump and remove cartridge

Install new cartridge and replace pump

! TIP

Replacement Pump

Avoid downtime by keeping a spare replacement pump to hand !
