## Airless spraying unit PowerPainter 90 Extra

The PowerPainter 90 Extra with innovative low pressure HEA Airless technology. The reduced spraying pressure allows maximum control, with up to 55% less overspray and a longer service life. The twin stroke piston pump delivers even paint flow on both up and down strokes for a powerful and smooth operation.

### Included in delivery:

- PowerPainter 90 Extra unit
- Vector Pro high-quality metal gun
- High pressure hose DN6 15 m
- HEA ProTip 517
- Integrated toolbox
- Gun filter
- Pressure Gauge (HEA)
- Piston oil 118 ml

### Technical data

Power consumption	0,8 KW
Voltage	230 V / 50 Hz
Max. spraying pressure	20,7 MPa
Weight	23 kg
Max. Tip size	0,019"
Max. delivery rate	1,3 l/min
Article number	2386 813
